

PARK

PARK PRESTIGE 4WD

## Park Prestige 4WD

A Front mower with four wheel drive and genuine articulated steering.

The front mounted deck lets you see what you are cutting. The genuine articulated steering in combination with four wheel drive offers total freedom - choose any path you like on the lawn. The Multiclip system cuts and fertilises. Multiclip in combination with Stiga developed muffler makes the unit very silent.

The Front mower is very well equipped. Features are for example; variable speed (hydrostatic) regulated with a foot pedal, foot-controlled attachment lift, adjustable comfort-seat and steering wheel, hour meter for simplified maintenance, headlight. Rear casing can be folded up. Transparent tank shows how much petrol remains. The cutting deck can be angled into a cleaning position without removing the belt. The decks have different cutting widths (107 or 121 cm).

Choose from a wide range of accessories. You can for example easily change from a cutting deck, sweeper or edge cutter to a snow blade or snow thrower.
